LOUIS JADOT CÔTE D'OR BURGUNDIES

*Beaune Bressandes Premier Cru Blanc
2019*

90-92 POINTS

This is aromatically similar to the straight Beaune villages with just a bit more evident wood influence. The very rich, even opulent, and relatively full-bodied flavors are at once succulent and punchy while delivering fine length on the slightly longer and more structured finale.

Allen Meadows - June 10, 2021
