

## Craggy Range

*Le Sol Gimblett Gravels Vineyard 2019*

# 95 POINTS

A very impressive and impactful expression of syrah from the cooler climes of Hawke's Bay, this offers red plum and blackberry, as well as pepper, violets, dry spices and stones. Very fragrant and complex. The palate is intense, with real purpose and direction to the clean-cut tannins. Long, pure darker-berry flavors abound. On form.
