CHÂTEAU D'AQUERIA

Tavel Rosé 2020

91 POINTS

Delicate notes of red cherry and apple blossom introduce this full-bodied but freshly concentrated expression of Tavel. A blend of Grenache, Syrah, Cinsault and Clairette, it highlights zippy blackberry and crisp black-plum flavors against a backdrop of cassis acidity and lingering veins of graphite. This delightful dry rosé should delight red and white wine lovers alike.
