NOTEWORTHY	Barrua has been referred to in the wine media as the "Super Sardinian."	Feudo Maccari vineyards bask in a hot, dry, sun-drenched climate – so hot that spraying for pests and mildew is virtually unknown in the area. Mediterranean winds moderate the heat and aerate the grape clusters.	Contrada Santo Spirito Animardente Etna DOC - 91 Points - Wine Spectator	Pighin played a leading role in the Friuli wine renaissance, which began in the early 1960s. Widely considered the top region for white wine production, Friuli is often called the "Côte d'Or" of Italy.	The Empsons were among the first producers to make a single varietal Chardonnay in Italy and were the first to export an Italian Chardonnay to the U.S. "Bollini's style is one of clean, pure wines." – Wine Spectator	The name Caposaldo means "benchmark" in Italian. Caposaldo wines are a benchmark for quality in Italian winemaking.

Has five estate vineyards spread over the main terroirs of the Mendoza winegrowing region at the foothills of the Andes mountain range. The average age of vines on the estate is about 30 years, with some parcels featuring 80-plus year-old vines. Awarded the D.O.C. (Denominacion de Origin Controlada) classification in 1994.	Alta Vista's Terroir Management® system adapts viticulture to the characteristics of each terroir. Aerial infrared photos are used to make custom maps of each vineyard. Using this detailed information, the wine growing methods and harvest dates are adapted to each separate plot. Until 1989 Patrick d'Aulan's family owned Piper Heidsieck, the famous Champagne House.	The winery has a spectacular architectural design based on the principles of Feng Shui, featuring an impressive room with 800 French oak barrels, all new, arranged in a semicircle.	Bordeaux Winemaker Didier Debono boasts a prestigious resume including Château Clinet and La Vroix du Casse in Pomerol and Classified Growth from Saint-Emilion Château Sansonnet.	Unlike other Spanish DOs, Cava DO is not restricted to a single geographic area, though its most acclaimed bottles come from Penedès, with a winemaking tradition dating back to the 6th Century BC. The town of San Sadurní in Penedès, where sparkling wine was first produced in 1872, is the birthplace of Cava.	Wine & Spirits Magazine has selected Craggy Range as Winery of the Year 5 times.	Sustainable practices well beyond New Zealand industry requirements. The Infamous Goose, known as a Moa, was rumored to grow to twice the height of an average person.
